

Hello parents/guardians,

My name is Melinda Louis and I am a year 5 post-baccalaureate elementary education student at Vancouver Island University. I had the pleasure of working with your children for a few weeks on and off since September, and I am excited to be back in their classroom for five weeks starting on April 9, 2018.

I have a bachelor's degree in Psychology and a master's degree in Counselling Psychology. I aspire to be an elementary school counsellor, with a special interest in children's social emotional learning. In my spare time, I enjoy playing music, reading, the outdoors, physical activity, knitting, and painting.

During my five weeks teaching your children, I plan on teaching the following units:

Math- measurement and geometry

Social Studies- diverse cultures and communities

Language Arts- Story writing

Science- plants

If you have any questions at all or would like to get in contact with me, please email me at:

[Melinda.louis@gsuite.viu.ca](mailto:Melinda.louis@gsuite.viu.ca)

Thank you and I look forward to working with your children,

Melinda Louis
